(3) NOTICE OF ANNUAL GENERAL MEETING

To Shareholders,

Dear Sirs or Madams,

INTRODUCTION

The purpose of this circular is to provide you with details in respect of (i) the grant of general mandates to Directors to issue and repurchase Shares; (ii) the re-election of retiring Directors and election of director; and (iii) to give you notice of the 2019 AGM.

LETTER FROM THE BOARD

GENERAL MANDATES TO ISSUE AND REPURCHASE SHARES

At the 2018 AGM, general mandates were granted to the Directors to (i) allot, issue and deal with additional Shares not exceeding 20% of the aggregate nominal amount of the issued share capital of the Company as at that date, and (ii) repurchase the Shares not exceeding 10% of the aggregate nominal amount of the issued share capital of the Company as at that date, at any time until the next annual general meeting or such earlier period as stated in the relevant ordinary resolutions. Such general mandates will be expired after the conclusion of the 2019 AGM and therefore, the ordinary resolutions numbered 8A, 8B and 8C will be proposed at the 2019 AGM to grant new general mandates to the Directors (i) to allot, issue and otherwise deal with additional Shares with an aggregate nominal amount not exceeding 20% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing the relevant resolution and the extension of the aforesaid mandate by addition thereto the number of Shares repurchased pursuant to the proposed general mandate for repurchase of Shares up to a maximum of 10% of the issued share capital of the Company as at the date of passing the relevant resolution as described below, and (ii) to repurchase Shares with total nominal amount not exceeding 10% of the total fully paid-up nominal amount of the share capital of the Company in issue at the date of passing the relevant resolution, at any time during the period ending on the earlier of the date of the next annual general meeting, the date by which the next annual general meeting of the Company is required to be held by law or its Bye-laws or the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders in the general meeting of the Company.

As at the Latest Practicable Date, the number of Shares in issue was 13,614,480,666 Shares. On the basis that no further Shares will be issued or repurchased prior to the 2019 AGM, (i) the Issue Mandate would enable the Company to allot, issue and deal with a maximum of 2,722,896,133 Shares, and (ii) the Repurchase Mandate would enable the Company to repurchase a maximum of 1,361,448,066 Shares.

The purpose of the grant of the general mandate to the Directors to allot, issue and deal with additional Shares is to enable the Directors to capture right timing of the securities market to widen the capital base of the Company. The Directors believe that the grant of the general mandates is in the interests of the Company and the Shareholders. As at the Latest Practicable Date, the Directors have no present intention to issue or repurchase any Shares under the general mandates to be sought at the 2019 AGM.

An explanatory statement required under Rule 10.06(1)(b) of the Listing Rules containing all the information reasonably necessary to enable the Shareholders to make an informed decision on whether the vote for or against the ordinary resolutions in relation to the Repurchase Mandate is set out in Appendix II to this circular.

Whether or not the Shareholders are able to attend the 2019 AGM, the Shareholders are requested to complete and return the enclosed form of proxy in accordance with the instructions printed thereon as soon as possible and in any event not less than 48 hours before the time for holding of the 2019 AGM or adjournment thereof.

LETTER FROM THE BOARD

Completion and return of the form of proxy will not preclude the Shareholders from attending and voting at the 2019 AGM should the Shareholders so wish.

All the resolutions proposed to be approved at the 2019 AGM will be taken by poll save that the chairman of the 2019 AGM may in good faith, allow resolutions which relate purely to a procedural or administrative matter to be voted on by a show of hands. An announcement will be made by the Company after the 2019 AGM on the results of the 2019 AGM.

This appendix serves as an explanatory statement required by the Listing Rules to provide the Shareholders with all the information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the ordinary resolution to approve the Repurchase Mandate.

REPURCHASE MANDATE

The following is the explanatory statement required to be sent to the Shareholders under the Listing Rules relating to an ordinary resolution to be proposed at the 2019 AGM to be held on 29 August 2019, to approve a general and unconditional mandate to be given to the Directors to exercise the powers of the Company to repurchase, at any time until the next annual general meeting of the Company or such earlier period as stated in the ordinary resolution, Shares of HK\$0.02 each in the capital of the Company, up to a maximum of 10% of the aggregate nominal amount of issued share capital of the Company as at the date of passing the resolution.

The Directors believe the Repurchase Mandate is in the interests of the Company and the Shareholders, and accordingly recommend the Shareholders to vote in favour of the relevant resolution to be proposed at the 2019 AGM.

SHARE CAPITAL

As at the Latest Practicable Date, the number of Shares in issue was 13,614,480,666 Shares. On the basis that no further Shares will be issued or repurchased prior to the 2019 AGM, the exercise of the Repurchase Mandate in full would enable the Company to repurchase a maximum of 1,361,448,066 Shares.

REASONS FOR REPURCHASE

Repurchase of Shares will only be made if the Directors believe that such repurchase will be in the best interests of the Company and the Shareholders. Such repurchase may, depending on market conditions and funding arrangement at the time, lead to an enhancement of the net asset value of the Company and/or earnings per share.

FUNDING OF REPURCHASE

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the Company's constitutive documents and the laws of Bermuda in which the Company was incorporated.

There might be a material adverse impact on the working capital and/or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the annual report of the Company for the year ended 31 March 2019, being the date to which the latest published audited financial statements of the Company have been made up) in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances,

have a material adverse effect on the working capital requirements of the Company and/or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

UNDERTAKING

The Directors have undertaken to the Stock Exchange to exercise the powers of the Company to make repurchase pursuant to the Repurchase Mandate in accordance with the Listing Rules, the applicable laws of Bermuda and the Bye-laws.

None of the Directors, or to the best of their knowledge having made all reasonable enquiries, any of their associates have any present intention to sell to the Company or its subsidiaries any of the Shares in the event that the Repurchase Mandate is granted.

As at the Latest Practicable Date, no connected person (as defined in the Listing Rules) of the Company has notified the Company that he has a present intention to sell to the Company or its subsidiaries any of his Shares, or has undertaken not to do so, in the event that the Repurchase Mandate is exercised.

TAKEOVERS CODE AND SHARE REPURCHASES

In the event that the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory general offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, Mrs. Chu Yuet Wah and parties acting in concert with her are interested or deemed to be interested in an aggregate of 10,157,255,895 Shares, representing approximately 74.61% of the existing issued share capital of the Company.

In the event that the Directors exercise in full their power to repurchase Shares in accordance with the terms of the Repurchase Mandate, the interest of Mrs. Chu Yuet Wah and parties acting in concert with her will be increased to approximately 82.9% of the issued share capital of the Company. Such increase would not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors are not aware of any consequence which may arise under the Takeovers Code as a result of any repurchases to be made under the Repurchase Mandate.

Assuming there is no further issue of Shares between the Latest Practicable Date and the date of repurchase, the exercise of the Repurchase Mandate whether in whole or in substantial part will result in less than 25% of the issued share capital of the Company being held by the public as required by Rule 8.08 of the Listing Rules. The Directors, however, have no present intention to exercise the Repurchase Mandate to an extent as may result in a public shareholding of less than such prescribed percentage as at the Latest Practicable Date.
