The purpose of this circular is to provide you with, among other things, further information on the Finance Leases and the incidental documentation and other information as required under the Listing Rules.

LETTER FROM THE BOARD

FINANCE LEASES AND THE INCIDENTAL DOCUMENTATION

Set out below is a summary of the principal terms of the Finance Leases and the incidental documentation:

Date:

19 March 2020

The Finance Leases would be effective upon compliance of the applicable requirements of the Listing Rules by the Company.

Parties:

- (1) Canton Risen, a subsidiary of the Company, as the lessor;
- (2) the Lessee; and
- (3) the Guarantor (in relation to the relevant guarantees).

To the best of the Directors' knowledge, information and belief having made all reasonable enquiry, the Lessee, the Guarantor and their ultimate beneficial owners are Independent Third Parties.

Transfer of Assets and consideration

Canton Risen will acquire the unencumbered ownership of Asset 1 and Asset 2 from the Lessee on an "as-is" basis for RMB125,000,000 (equivalent to approximately HK\$137,250,000) and RMB25,000,000 (equivalent to approximately HK\$27,450,000) respectively in cash and, payable within 1 month from the date of the Finance Leases to the Lessee pursuant to both the Finance Leases and the incidental transfer agreements. The transfer agreements for Finance Lease No. 1 and Finance Lease No. 2 were entered into between Canton Risen and the Lessee on the date of the Finance Leases, effecting the terms of the Finance Leases in relation to the transfer of Assets from the Lessee to Canton Risen above. The consideration for the acquisition of the Assets have been paid in full to the Lessee on 19 March 2020.

Such consideration amount was determined following arm's length negotiations by the parties with reference to the original cost of the Asset 1 and Asset 2 of RMB131,849,000 (equivalent to approximately HK\$144,770,202) and RMB28,828,300 (equivalent to approximately HK\$31,653,473) respectively, and their state, which were reviewed by Canton Risen's experienced leasing team. Approximately 80% of such consideration amount for the acquisition of the Assets has been funded through external banking facilities and the remaining 20% has been funded through the internal resources of the Group.

The consideration amount provides additional liquidity for the Lessee.

LETTER FROM THE BOARD

Lease period

Canton Risen will lease back the Assets to the Lessee for its use and possession for a term of 5 years commencing from the day the consideration for the Assets transfer has been paid by Canton Risen. Unless otherwise waived by Canton Risen, the release of payment of the consideration for the Assets transfer by Canton Risen is conditional upon the fulfillment of certain conditions within 1 month from the date of the Finance Leases including, mainly, the satisfactory provision of the relevant guarantees by the Guarantor.

Lease payments

Pursuant to Finance Lease No. 1, the total amount of lease payments is approximately RMB145,714,271 (equivalent to approximately HK\$159,994,269) (subject to changes of the loan prime rate for 1 year RMB loans), comprising (a) the lease principal payment of RMB125,000,000 (equivalent to approximately HK\$137,250,000) and (b) the aggregate lease interest of approximately RMB20,714,271 (equivalent to approximately HK\$22,744,269) (subject to changes of the loan prime rate for 1 year RMB loans). Both the lease principal and the interest shall be payable every six months in ten (10) installments during the lease period in which the first installment is expected to be payable on 18 September 2020.

Pursuant to Finance Lease No. 2, the total amount of lease payments is approximately RMB29,142,854 (equivalent to approximately HK\$31,998,854) (subject to changes of the loan prime rate for 1 year RMB loans), comprising (a) the lease principal payment of RMB25,000,000 (equivalent to approximately HK\$27,450,000) and (b) the aggregate lease interest of approximately RMB4,142,854 (equivalent to approximately HK\$4,548,854) (subject to changes of the loan prime rate for 1 year RMB loans). Both the lease principal and the interest shall be payable every six months in ten (10) installments during the lease period in which the first installment is expected to be payable on 18 September 2020.

Pursuant to the Finance Leases, the aggregate lease interest amounts are calculated on the then outstanding lease principal payment amount (being initially the amount of consideration for the Assets transfer paid by Canton Risen) at 165 basic points above the loan prime rate for 1 year RMB loans (as per the information disclosed by the National Interbank Funding Center, the prevailing loan prime rate for 1 year RMB loans is 4.05%, and therefore the interest rate is approximately 5.7% p.a. as at the date hereof). Such interest rate was determined after arm's length negotiations between the parties to the Finance Leases with reference to the principal amount of the lease, the interest risk of financing, the return of the Finance Leases for the Group, the credit risks associated with the Finance Leases and the targeted overall return of the Finance Leases of the Group (taking into account both the lease payments and the handling charges payable under the Finance Leases).

The Lessee will facilitate all credit checks by Canton Risen with the Credit Reference Center of the PBOC from time to time.

LETTER FROM THE BOARD

Termination and purchase option

The Lessee may terminate the Finance Leases provided that all outstanding amounts due thereunder and a compensation equivalent to 20 percent of the total outstanding lease interest amount as at the time of early termination have been settled by it. At the end of the lease period or in the event of an early termination of the Finance Leases, subject to the settlement of all outstanding amounts due, the Lessee will have the right to purchase the Assets at a nominal purchase price of RMB100 each (equivalent to approximately HK\$109.8).

Guarantee deposits

The Lessee agreed to pay interest-free deposits of RMB2,500,000 (equivalent to approximately HK\$2,745,000) and RMB500,000 (equivalent to approximately HK\$549,000) to Canton Risen on the same day the consideration for the Assets transfer has been paid by Canton Risen to secure its payment obligations under Finance Lease No. 1 and Finance Lease No. 2 respectively. As at the date of this circular, the guarantee deposits for the Finance Leases have been paid in full by the Lessee.

The aforementioned guarantee deposits may be used for the payment of compensation to Canton Risen in case of any breach of the Finance Leases by the Lessee. Subject to the aforementioned deduction, the guarantee deposits may be used for settling the outstanding amount of lease payments due from the Lessee to Canton Risen.

Guarantees

The Guarantor had executed guarantees on the date of the Finance Leases guaranteeing Canton Risen, effectively on a joint and several basis, the due and punctual settlement of any and all amounts payable by the Lessee under the Finance Leases.

Finance lease handling charge agreements

In addition, on 19 March 2020, Canton Risen entered into the finance lease handling charge agreements with the Lessee in respect of each of the Finance Leases whereby Canton Risen has agreed to provide financial consultancy services to the Lessee which include but are not limited to finance lease demand analysis consultancy service, finance lease structural design consultancy service, finance lease transactional arrangement consultancy service and finance lease financial and tax advisory services, and the Lessee has agreed to pay Canton Risen handling charges of RMB6,250,000 (equivalent to approximately HK\$6,862,500) and RMB1,250,000 (equivalent to approximately HK\$1,372,500) for the financial consultancy services in relation to Finance Lease No. 1 and Finance Lease No. 2 respectively.

Such fee was determined after arm's length negotiations between the parties to the Finance Leases with reference to the return of the Finance Leases for the Group as a whole and would be payable in lump sum to Canton Risen within three business days (but if the three-business-day period shall lie between two months, the handling charges shall be paid by the end of the earlier month) from the date of the finance lease handling charge agreements. As at the date of this circular, the finance lease handling charges have been paid in full by the Lessee.

The finance lease handling charge agreements and the Finance Leases were entered alongside for business purposes, the terms of which are independent of each other.
