NOTICE OF ANNUAL GENERAL MEETING**

INTRODUCTION

The Directors wish to seek the approval of the Shareholders at the Annual General Meeting for, among other things, (i) the grant of the Issue Mandate and the Purchase Mandate and (ii) the re-election of retiring Directors.

* *For identification purposes only*

LETTER FROM THE BOARD

The purpose of this circular is to (i) provide you with details of the Issue Mandate and the Purchase Mandate, (ii) set out an explanatory statement regarding the Purchase Mandate as required under the Listing Rules, (iii) provide you with information regarding the re-election of retiring Directors and (iv) give you notice of the Annual General Meeting.

GENERAL MANDATES TO ISSUE AND PURCHASE SHARES

The Directors wish to propose ordinary resolutions at the Annual General Meeting to give to the Directors general mandates:

- (i) to allot, issue and otherwise deal with new Shares with an aggregate nominal amount not exceeding 20% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing of the proposed resolution for the grant of the Issue Mandate; and
- (ii) to purchase Shares with an aggregate nominal amount not exceeding 10% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing of the proposed resolution for the grant of the Purchase Mandate.

As at the Latest Practicable Date, the issued share capital of the Company comprised 532,000,000 Shares. Subject to the passing of the proposed resolutions for the grant of the Issue Mandate at the Annual General Meeting and on the basis that no further Shares are issued or purchased by the Company between the Latest Practicable Date and the Annual General Meeting, the Company would be allowed to issue a maximum of 106,400,000 Shares under the Issue Mandate. In addition, subject to the passing of the Purchase Mandate at the Annual General Meeting and on the basis that no further Shares are issued or purchased by the Company between the Latest Practicable Date and the Annual General Meeting, the Company would be allowed to purchase a maximum of 53,200,000 Shares under the Purchase Mandate.

In addition, a separate ordinary resolution will also be proposed at the Annual General Meeting to add to the Issue Mandate those Shares purchased by the Company pursuant to the Purchase Mandate granted to the Directors at the Annual General Meeting.

An explanatory statement containing information regarding the Purchase Mandate is set out in appendix I to this circular.

RE-ELECTION OF RETIRING DIRECTORS

Pursuant to article 87(1) of the Articles of Association, Ms. Chen Fang Mei, Christina, Mr. Lee Cheng Chuan and Ms. Tham Kit Wan (“Ms. Tham”) are due to retire from office by rotation at the Annual General Meeting. In accordance with article 86(3) of the Articles of Association, Mr. Huang Yongbiao and Mr. Hu Dien Chien, who were appointed during the year as an addition to the existing Board, shall hold office until the Annual General Meeting. The retiring Directors, being eligible, offer themselves for re-election at the Annual General Meeting.

LETTER FROM THE BOARD

The Company, having reviewed the composition of the Board, considered Ms. Tham is suitable for re-election in line with the approach as set out in the nomination policy and the board diversity policy of the Company. Ms. Tham has substantial board experience and good understandings of the Group's operations. She has contributed significantly to helping the Company achieve high standard of corporate governance and has contributed to the diversity of the Board by bringing her professional experience and independent opinions to the Company.

Ms. Tham was not involved in the day-to-day management of the Company and did not have any family ties with other Directors or senior management of the Company. The Company is not aware of any circumstance which would interfere with the exercise of her professional judgment. She has also given an annual confirmation of her independence pursuant to Rule 3.13 of the Listing Rules to the Company. Based on the above, the Board believes that Ms. Tham has the character, integrity and experience to fulfill the role of an independent non-executive Director and, if re-elected, will continue to make significant contribution to the Company.

Biographical details of the retiring Directors are set out in appendix II to this circular.

Your attention is also drawn to the additional information set out in the appendices to this circular.

Yours faithfully,
For and on behalf of the Board
Chung Yuk Sing
Executive Director

This appendix includes an explanatory statement required by the Stock Exchange to be presented to the Shareholders concerning the Purchase Mandate proposed to be granted to the Directors.

1. LISTING RULES FOR PURCHASES OF SHARES

The Listing Rules permit companies with a primary listing on the Stock Exchange to purchase their shares on the Stock Exchange subject to certain restrictions.

The Listing Rules provide that all proposed purchases of shares by a company with a primary listing on the Stock Exchange must be approved by shareholders in advance by an ordinary resolution, either by way of a general mandate or by a specific approval of a particular transaction and that the shares to be purchased must be fully paid up.

2. FUNDING OF PURCHASES

Any purchase will be made out of funds which are legally available for the purpose in accordance with the Articles of Association and the laws of the Cayman Islands. As compared with the financial position of the Company as at 31 March 2019 (being the date of its latest audited accounts), the Directors consider that there will not be a material adverse impact on the working capital and on the gearing position of the Company in the event that the proposed purchases were to be carried out in full during the proposed purchase period.

The Directors do not propose to exercise the Purchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital of the Company or the gearing ratio which in the opinion of the Directors are from time to time appropriate for the Company.

3. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 532,000,000 Shares. Subject to the passing of the proposed resolution for the grant of the Purchase Mandate at the Annual General Meeting and on the basis that no further Shares are issued or purchased by the Company between the Latest Practicable Date and the Annual General Meeting, the Company would be allowed to purchase a maximum of 53,200,000 Shares under the Purchase Mandate.

4. REASONS FOR PURCHASES

The Directors believe it is in the best interests of the Company that the Directors have a general authority from the Shareholders to enable the Directors to purchase Shares on the market. Such purchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or the earning per Share and will only be made when the Directors believe that such purchases will benefit the Company and the Shareholders as a whole.

5. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange to exercise the Purchase Mandate in accordance with the Listing Rules, the applicable laws of the Cayman Islands and the memorandum and articles of association of the Company.

6. EFFECT OF THE TAKEOVERS CODE

If as a result of a purchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert, depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As disclosed in the Great Pacific Subscription Circular, on the basis that each of Time Easy and Great Pacific would hold more than 20% of the issued share capital of the Company immediately following completion of the Great Pacific Subscription, then for the purposes of the Takeovers Code, each of them would be regarded as an associated company of the Company and would be presumed to be acting in concert with the other with respect to the control of the Company (the "**Concert Party Presumption**"). Unless the Concert Party Presumption should be rebutted, for so long as the combined shareholding interest of Time Easy and Great Pacific should exceed 50% of the issued share capital of the Company, Time Easy and Great Pacific (acting jointly) would be free to acquire additional Shares without incurring any general offer obligation under the Takeovers Code. As disclosed in the Time Easy 2007 Placing Announcement, Time Easy's shareholding interest in the Company would be reduced to below 20% immediately following completion of the Maitex Transactions and accordingly, Time Easy would cease to be an associated company of the Company for the purposes of the Takeovers Code. As at the Latest Practicable Date, to the best of the knowledge of the Directors having made all reasonable enquiries, neither Time Easy nor Great Pacific had sought any ruling or confirmation from the Executive that the Concert Party Presumption had ceased to operate following completion the Maitex Transactions and until such ruling or confirmation has been sought, the Directors (other than those who are or are presumed to be acting in concert with Time Easy or Great Pacific) will continue to treat Time Easy and Great Pacific as being parties acting in concert with each other for the purposes of the Takeovers Code. Nevertheless, the Directors (other than those who are or are presumed to be acting in concert with Time Easy or Great Pacific) emphasise that the foregoing view is theirs alone and does not in any way represent or reflect the position taken by Time Easy, Great Pacific or their respective parties acting in concert with any of them.

As at the Latest Practicable Date, Time Easy and Great Pacific were substantial shareholders of the Company holding approximately 13.66% and 36.09% of the issued share capital of the Company respectively. In the event that the Purchase Mandate is exercised in full and on the basis that the Concert Party Presumption remains operative, the combined shareholding interest of Time Easy and Great Pacific would be increased from approximately 49.75% to approximately 55.27% of the issued share capital of the Company. In the absence of any special circumstances, such increase may give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code but it would not result in the number of Shares in the hands of the public falling below the prescribed minimum percentage as required by Rule 8.08 of the Listing Rules. The Company shall comply with the Listing Rules and/or the Takeovers Code should the Purchase Mandate be exercised to such an extent that will result in a mandatory offer being triggered under the Takeovers Code. Save as aforesaid and as at the Latest Practicable Date, the Directors are not aware of any consequence which the exercise in full of the Purchase Mandate would have under the Takeovers Code.

7. DIRECTORS, THEIR CLOSE ASSOCIATES AND CONNECTED PERSONS

None of the Directors nor, to the best of the knowledge and belief of the Directors, having made all reasonable enquiries, any of their respective close associates has any present intention, in the event that the Purchase Mandate is approved by the Shareholders, to sell Shares to the Company. No connected person of the Company has notified the Company that he/she/it has a present intention to sell Shares to the Company nor has he/she/it undertaken not to sell any of the Shares held by him/her/it to the Company in the event that the Company is authorised to make purchases of Shares.

8. SHARE PURCHASE MADE BY THE COMPANY

No purchase of Shares has been made by the Company in the preceding six months (whether on the Stock Exchange or otherwise) ending on the Latest Practicable Date.

9. SHARE PRICE

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during each of the previous twelve months up to and including the Latest Practicable Date were as follows:

	Price per Share
