CONTINUING CONNECTED TRANSACTIONS

ENTERING INTO PROCUREMENT FRAMEWORK AGREEMENT

PROCUREMENT FRAMEWORK AGREEMENT

On 19 January 2021, the Company and Wing Fat Printing entered into the Procurement Framework Agreement for a term of one year commencing from 1 January 2021 and ending on 31 December 2021, pursuant to which, Wing Fat Group will provide printed packaging materials for pharmaceutical products to the Group.

IMPLICATIONS UNDER THE LISTING RULES

As SIIC is a controlling shareholder of the Company as well as Shanghai Industrial, and Wing Fat Printing is an indirect non-wholly owned subsidiary of Shanghai Industrial, Wing Fat Printing is a connected person of the Company under Rule 14A.07 of the Listing Rules. As such, according to Chapter 14A of the Listing Rules, the transactions contemplated under the Procurement Framework Agreement constitute continuing connected transactions of the Company.

As the applicable percentage ratio (as defined under Rule 14.07 of the Listing Rules) of the proposed annual cap for the transactions contemplated under the Procurement Framework Agreement is more than 0.1% but less than 5%, such continuing connected transactions are subject to the reporting, annual review and announcement requirements but exempt from the circular and independent shareholders' approval requirement under Chapter 14A of the Listing Rules.

On 19 January 2021, the Company and Wing Fat Printing entered into the Procurement Framework Agreement for a term of one year commencing from 1 January 2021 and ending on 31 December 2021, pursuant to which, Wing Fat Group will provide printed packaging materials for pharmaceutical products to the Group.

PRINCIPLE TERMS OF THE PROCUREMENT FRAMEWORK AGREEMENT

Parties	(a) the Company (b) Wing Fat Printing
Term	From 1 January 2021 to 31 December 2021
Subject matter	Pursuant to the Procurement Framework Agreement, any members of

Wing Fat Group may enter into Individual Agreements with any members of the Group to supply printed packaging materials for pharmaceutical products, subject to the annual cap of the procurement amount. The specific payment arrangement shall be set out in the Individual Agreements.

Terms and conditions of the Individual Agreements shall be consistent with the Procurement Framework Agreement.

Pricing Principles

The procurement amount chargeable by Wing Fat Group for the supply of printed packaging materials for pharmaceutical products shall be determined after arm's length negotiations between the parties with reference to various factors for each specific procurement agreement, including but not limited to, the prevailing market price, type and quantity of printed packaging materials, specifications, complexity of tasks involved and delivery date and such procurement amount shall equal market price.

ANNUAL CAPS AND BASIS OF DETERMINATION

The historical transaction amount for the procurement of printed packaging materials for pharmaceutical products by the Group from Wing Fat Group for the 11 months ending 30 November 2020 amounted to approximately RMB12,741,000.

The annual cap for the total procurement amount payable by the Group to the Wing Fat Group for the transactions contemplated under the Procurement Framework Agreement for the year ending 31 December 2021 is RMB60,000,000.

The annual cap set out above has been determined after taking into account: (i) the estimated amount of printed packaging materials for pharmaceutical products to be requested by the Group for the year ending 31 December 2021; (ii) the historical transaction amount of printed packaging materials for pharmaceutical products purchased by the Group; and (iii) an expected increase in the transaction amount in the future due to business expansion of the Group.

REASONS FOR AND BENEFITS OF THE PROCUREMENT FRAMEWORK AGREEMENT

The Company is of the view that entering into the Procurement Framework Agreement is able to ensure the stableness of the Group's business and to satisfy future demand of the Group from time to time, which is in the overall interests of the Group. In addition, Wing Fat Group is familiar with the business demand of the Group, which is in favor of the Group in reducing its administrative cost.

The Board (including the independent non-executive Directors) are of the view that the continuing connected transactions contemplated under the Procurement Framework Agreement are entered into in the ordinary and usual course of business of the Company, on normal commercial terms, and are in the interests of the Company and its shareholders as a whole.

Pursuant to the requirements of relevant laws and regulations, the Listing Rules and the articles of association of the Company, when the Board reviewed the resolution in respect of the Procurement Framework Agreement, Mr. ZHOU Jun and Mr. GE Dawei, as connected directors, abstained from voting. Save for the above, to the best of Directors' knowledge, information and belief, and after making all reasonable enquiries, no other Director had a material interest in the Procurement Framework Agreement or

shall abstain from voting on board resolutions approving the Procurement Framework Agreement and the transactions contemplated thereunder.

INTERNAL CONTROL MEASURES

In order to effectively implement the Procurement Framework Agreement, the Company has adopted the following internal control measures:

(a) the financial department and other relevant departments of the Company will continuously inspect and regularly collect and evaluate the pricing principles, transaction terms and actual transaction amounts under the Procurement Framework Agreement to ensure that the transactions thereunder are conducted on normal commercial terms or on terms no less favorable than those available from independent third parties and that the total transaction value for relevant leases will not exceed the proposed annual cap before the relevant approval procedures; and

(b) the Company's auditor and the independent non-executive Directors will conduct annual review on the pricing principles, transaction terms and the proposed annual cap under the Procurement Framework Agreement.

IMPLICATIONS UNDER THE LISTING RULES

As SIIC is a controlling shareholder of the Company as well as Shanghai Industrial, and Wing Fat Printing is an indirect non-wholly owned subsidiary of Shanghai Industrial, Wing Fat Printing is a connected person of the Company under Rule 14A.07 of the Listing Rules. As such, according to Chapter 14A of the Listing Rules, the transactions contemplated under the Procurement Framework Agreement constitute continuing connected transactions of the Company.

As the applicable percentage ratio (as defined under Rule 14.07 of the Listing Rules) of the proposed annual cap for the transactions contemplated under the Procurement Framework Agreement is more than 0.1% but less than 5%, such continuing connected transactions are subject to the reporting, annual review and announcement requirements but exempt from the circular and independent shareholders' approval requirement under Chapter 14A of the Listing Rules.
