A. INTRODUCTION

Reference is made to the announcement of the Company dated 20 October 2023 in relation to the continuing connected transactions contemplated under the Existing Office Lease Master Agreement.

In contemplation of the Existing Office Lease Master Agreement will expire on 31 December 2024, the Board announces that on 25 October 2024, LTO (a direct wholly-owned subsidiary of the Company) and LTID entered into the Office Lease Master Agreement with a term commencing from 1 January 2025 to 31 December 2025.

B. OFFICE LEASE MASTER AGREEMENT

(1) Background

The Group is currently leasing certain properties in Hong Kong from LTID mainly as office premises. As the Group will continue to lease these properties from LTID, LTO and LTID entered into the Office Lease Master Agreement to better regulate the leasing of office premises.

(2) Office Lease Master Agreement

Date

25 October 2024

Parties

- (i) LTO (a direct wholly-owned subsidiary of the Company), for itself and on behalf of the Group
- (ii) LTID

Principal terms

The principal terms of the Office Lease Master Agreement are as follows:

- the Office Lease Master Agreement is valid from 1 January 2025 to 31 December 2025;
- the leased properties shall mainly be used for the purpose of office premises;
- the Group and LTID will enter into separate lease agreements which will set out the specific terms and conditions according to the principles provided in the Office Lease Master Agreement;

- the monthly rate of the properties shall be an average of approximately HK\$14 per sq. feet; and
- the Group shall be responsible for the payment of the utility fees, including water, electricity, and property management fee.

Pricing policies

As a general principle, the monthly rent of the leased properties will be on normal commercial terms, negotiated on an arm's length basis, on similar basis as the Group leases property from independent third party landlords and shall be on terms which are no less favourable to the Group than those offered by independent third party landlords.

Subject to the general principle disclosed above, the Group will also take into account the following factors when determining the monthly rent to be payable by the Group under the Office Lease Master Agreement: (i) attributes of the leased properties; (ii) location and condition of the leased properties; (iii) size of the leased properties; and (iv) rental rate of surrounding properties with similar attributes.

(3) Historical amounts

The aggregate rentals paid by the Group in respect of leasing arrangements under the Existing Office Lease Master Agreement during nine-month period ended 30 September 2024 amounted to approximately US\$627,000 (or approximately HK\$4,890,600) which were within the relevant maximum cap as disclosed in the announcement 20 October 2023.

(4) Proposed annual cap and basis of determination

The aggregate fees payable by the Group in respect of the Office Lease Master Agreement shall not exceed US\$850,000 (approximately HK\$6,630,000) for the year ending on 31 December 2025. In determining the said proposed annual cap, the Directors (including the independent non-executive Directors) have taken into consideration (i) the historical rent paid by the Group for the leased properties; (ii) the possible relocations of certain members of the Group; (iii) the lease which may or will be entered into by the Group with LTID; (iv) the market rates for properties of similar quality in similar locations; and (v) provision of a buffer to cover a possible fluctuation in market rental of office premises in Hong Kong.

(5) Reasons for and benefits of the transactions under the Office Lease Master Agreement

For the leasing arrangements under the Office Lease Master Agreement, the Group will benefit from such leasing arrangements for cost efficiency and better utilization of the Group's office premises, which is beneficial to the Group as a whole. The rentals payable by the Group pursuant to the Office Lease Master Agreement reflect normal commercial terms negotiated on an arm's length basis and are comparable to the terms given by independent third parties.

Based on the above, the Directors (including the independent non-executive Directors) consider that the Group will benefit from the continuity of the leasing arrangements and will save the relocation costs which may otherwise be incurred due to any discontinuation of the existing leasing arrangements. The Directors (including the independent non-executive Directors) further believe that the transactions contemplated under the Office Lease Master Agreement and their terms are on normal commercial terms, fair and reasonable and are in the interests of the Group and the Shareholders as a whole.

Dr. Tan Siu Lin, and his son, Mr. Tan Cho Lung, Raymond, who are all Directors, have a material interest in the transactions contemplated under the Office Lease Master Agreement. Accordingly, they have abstained from voting on the relevant Board resolutions to approve the Office Lease Master Agreement and the transactions contemplated thereunder.

C. INFORMATION ON THE PARTIES

LTO is an investment holding company and the Group is principally engaged in the manufacturing and trading of apparel and accessories.

D. IMPLICATIONS UNDER THE LISTING RULES

Dr. Tan Siu Lin also directly held 0.005% equity interest of LTID. Accordingly, LTID is a connected person of the Company and the transactions contemplated under the Office Lease Master Agreement constitute continuing connected transactions of the Company under Chapter 14A of the Listing Rules.

are subject to the reporting, announcement and annual review requirements but are exempt from the independent shareholders' approval requirement under Chapter 14A of the Listing Rules.

The remaining 2.000%, 0.500% and 0.005% equity interest of LTID are directly held by Ms. Choi Suk Yan, Belinda, Mr. Chan Wei Ben, Benny and Dr. Tan Henry, respectively.
