Principal terms of the Notes

The following is a summary of certain provisions of the Notes and the Indenture. This summary does not purport to be complete and is qualified in its entirety by reference to the provisions of the Indenture, the Notes, the Subsidiary Guarantees, and the JV Subsidiary Guarantees, if any.

Notes Offered

Subject to certain conditions to completion, the Company will issue the Notes in the aggregate principal amount of US\$200,000,000. The Notes will mature on 8 March 2022, unless earlier redeemed in accordance with the terms thereof.

Offering Price

The offering price of the Notes will be 97.968% of the principal amount of the Notes.

Interest and Interest Payment Dates

The Notes will bear interest from and including 8 March 2019 at a rate of 9.15% per annum payable semi-annually in arrears on 8 March and 8 September of each year, commencing on 8 September 2019.

Ranking of the Notes

The Notes are (1) general obligations of the Company; (2) senior in right of payment to any existing and future obligations of the Company expressly subordinated in right of payment to the Notes; (3) at least pari passu in right of payment with the Existing Notes and all other unsecured, unsubordinated indebtedness of the Company (subject to any priority rights of such unsecured, unsubordinated indebtedness pursuant to

applicable law); (4) guaranteed by the Subsidiary Guarantors and the JV Subsidiary Guarantors, if any, on a senior basis, subject to certain limitations; (5) effectively subordinated to the secured obligations (if any) of the Company, the Subsidiary Guarantors and the JV Subsidiary Guarantors (if any), to the extent of the value of the assets serving as security therefor; and (6) effectively subordinated to all existing and future obligations of the subsidiaries of the Company which are not providing guarantees under the Notes.

Events of default

The events of default under the Notes include, among others: (a) default in the payment of principal of (or premium, if any, on) the Notes when the same becomes due and payable at maturity, upon acceleration, redemption or otherwise; (b) default in the payment of interest on any Note when the same becomes due and payable, and such default continues for a period of 30 consecutive days; (c) default in the performance or breach of the provisions of certain covenants under the Indenture relating to consolidation, merger and sale of assets, the failure by the Company to make or consummate an offer to purchase in the manner described in the Indenture; (d) default by the Company or certain of its subsidiaries in the performance of or breaches of any other covenant or agreement in the Indenture or under the Notes (other than a default specified in clause (a), (b) or (c) above) and such default or breach continues for a period of 30 consecutive days after written notice by the trustee or the holders of 25% or more in aggregate principal amount of the Notes; (e) there occurs with respect to any indebtedness of the Company or certain of its subsidiaries having an outstanding principal amount of US\$10.0 million or more in the aggregate for such indebtedness (i) an event of default that has caused the holder of such indebtedness to declare such indebtedness to be due and payable prior to its stated maturity and/or (ii) the failure to make a principal payment when due; (f) one or more final judgments or orders for the payment of money are rendered against the Company or certain of its subsidiaries and are not paid or discharged, and there is a period of 60 consecutive days following entry of the final judgment or order that causes the aggregate amount for all such final judgments or orders outstanding and not paid or discharged against all such persons to exceed US\$10.0 million (in excess of amounts which the Company's insurance carriers have agreed to pay under applicable policies) during which a stay of enforcement, by reason of a pending appeal or otherwise, is not in effect; (g) an involuntary case or other proceeding is commenced against the Company or any of its significant subsidiaries (or any group of subsidiaries that together would constitute a significant subsidiary) under bankruptcy, insolvency or similar law, which remains undismissed and unstayed for a period of 60 consecutive days; (h) voluntary bankruptcy or insolvency proceedings commenced by the Company or any of its significant subsidiaries (or any group of subsidiaries that together would constitute a significant subsidiary); or consent to the

entry of an order for relief in an involuntary case under any such law; or consents to the appointment of or taking possession by a receiver, liquidator, assignee, custodian, trustee, sequestrator or similar official of the Company or any of the Company's significant subsidiaries (or any group of subsidiaries that together would constitute a significant subsidiary) or for all or substantially all of the property and assets of the Company or any of its significant subsidiaries (or any group of subsidiaries that together would constitute a significant subsidiary); or effects any general assignment for the benefit of creditors; (i) any Subsidiary Guarantor or JV Subsidiary Guarantor denying or disaffirming its obligations under its Subsidiary Guarantee or JV Subsidiary Guarantee or, except as permitted by the Indenture, any Subsidiary Guarantee or JV Subsidiary Guarantee being determined to be unenforceable or invalid or for any reason ceasing to be in full force and effect.

If an event of default (other than the default specified in clause (g) and (h) above) occurs and is continuing under the Indenture, the trustee or the holders of at least 25% in aggregate principal amount of the Notes then outstanding, by written notice to the Company (and to the trustee if such notice is given by the holders) may, and the trustee at the request of such holders shall, declare the principal of, premium, if any, and accrued and unpaid interest on the Notes to be immediately due and payable. Upon a declaration of acceleration, such principal of, premium, if any, and accrued and unpaid interest shall be immediately due and payable. If an event of default specified in (g) and (h) above occurs with respect to the Company or any of its significant subsidiary (or any group of subsidiaries that together would constitute a significant subsidiary), the principal of, premium, if any, and accrued and unpaid interest on the Notes then outstanding shall automatically become and be immediately due and payable without any declaration or other act on the part of the trustee or any holder.

Covenants

The Notes and the Indenture governing the Notes will limit the Company's ability and the ability of certain of its subsidiaries to, among other things:

- (a) incur or guarantee additional indebtedness and issue disqualified or preferred stock;
- (b) declare dividends;
- (c) make investments or other specified restricted payments;
- (d) issue or sell capital stock of certain of its subsidiaries;
- (e) guarantee indebtedness of certain of its subsidiaries;

- (f) sell assets;
- (g) create liens;
- (h) enter into sale and leaseback transactions;
- (i) engage in any business other than permitted business;
- (j) enter into agreements that restrict certain of its subsidiaries' ability to pay dividends, transfer assets or make intercompany loans;
- (k) enter into transactions with shareholders or affiliates; and
- (l) effect a consolidation or merger.

Optional Redemption of the Notes

- (1) At any time and from time to time on or after 8 March 2021, the Company may redeem the Notes, in whole or in part, at the redemption price equal to the percentage of the principal amount of the Notes redeemed set forth below plus accrued and unpaid interest (if any) to (but not including) the redemption date, if redeemed during the twelve-month period beginning on 8 March of the year set forth below:

Period	Redemption Price
2021	102.5%

- (2) At any time and from time to time prior to 8 March 2021, the Company may at its option redeem the Notes, in whole but not in part, at a redemption price equal to 100% of the principal amount of the Notes redeemed plus the applicable premium as of, and accrued and unpaid interest, if any, to (but not including) the redemption date.
- (3) At any time and from time to time prior to 8 March 2021, the Company may redeem up to 35% of the aggregate principal amount of the Notes with the net cash proceeds of one or more sales of common stock of the Company in an equity offering at a redemption price of 109.15% of the principal amount of the Notes redeemed, plus accrued and unpaid interest, if any, to (but not including) the redemption date; provided that at least 65% of the aggregate principal amount of the Notes originally issued on the original issue date remains outstanding after each such redemption and any such redemption takes place within 60 days after the closing of the related equity offering.

The Company will give not less than 30 days' nor more than 60 days' notice of any redemption.

Proposed use of proceeds

The Company intends to use the net proceeds of the Notes Issue for refinancing its existing indebtedness.

Listing and rating

The Company will seek a listing of the Notes on the Stock Exchange. A confirmation of the eligibility for the listing of the Notes has been received from the Stock Exchange for the listing of the Notes by way of debt issues to professional investors only as described in the offering memorandum. Admission of the Notes to the Stock Exchange is not to be taken as an indication of the merits of the Company or the Notes.

The Notes are expected to be rated B- by Standard & Poor's Rating Services and B3 by Moody's Investors Services.
