VOLUNTARY ANNOUNCEMENT IN RELATION TO UNAUDITED FINANCIAL INFORMATION FOR THE THREE MONTHS ENDED 31 AUGUST 2019

This announcement is voluntarily made by BCI Group Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to the Rules Governing the Listing of Securities on GEM of the Stock Exchange.

The board (the “**Board**”) of directors of the Company wishes to inform the shareholders and potential investors of the Company that, based on the information currently available to the Company and the preliminary review of the unaudited consolidated results of the Group for the three months ended 31 August 2019, it is expected that the Group’s unaudited total revenue for the three months ended 31 August 2019 was recorded approximately HK\$16.7 million, representing a decrease of approximately 20.9% when compared to the corresponding period in 2018.

The revenue generated from the operation of the clubbing and entertainment business decreased by approximately HK\$1.4 million, or approximately 8.5%, from approximately HK\$15.8 million for the three months ended 31 August 2018 to approximately HK\$14.4 million for the three months ended 31 August 2019.

The revenue generated from the operation of the restaurant business decreased by approximately HK\$3.0 million, or approximately 57.6%, from approximately HK\$5.3 million for the three months ended 31 August 2018 to approximately HK\$2.3 million for the three months ended 31 August 2019.

Such decrease was mainly due to (i) the uncertainties in the global economy, in particular those arising from the ongoing US-China trade tension as well as local political turmoil (including but not limited to the recent social unrest in Hong Kong since late June 2019) which resulted in the overall weakening of consumer sentiment in the food and beverage, lifestyle and entertainment industry in Hong Kong as there was a decline in the pedestrian traffic and a reduction in business hours of our outlets during the reporting period; and (ii) the closure of Tiger Curry & Café on 7 August 2018 and Tiger Curry Jr. on 7 May 2019, of which these two restaurants contributed approximately HK\$2.9 million revenue for the three months ended 31 August 2018.

However, the closure of Tiger Curry & Café and Tiger Curry Jr. during the reporting period has also resulted in a decrease in the operating cost. Besides, there was no write off of property, plant and equipment for the three months ended 31 August 2019, while approximately HK\$0.8 million of property, plant and equipment was written off during the three months ended 31 August 2018 as a result of the renovation of our outlets during the reporting period. Such factors have therefore improved the results of the Group. With the effect of the decrease in operating cost above, the Group is expected to record a decreased in the loss and total comprehensive income and an improvement of results for the three months ended 31 August 2019 as compared to the corresponding period in 2018.

The above-mentioned unaudited figures are based on a preliminary assessment by the Board after reviewing the Group’s unaudited consolidated management accounts for the three months ended 31 August 2019 and the internal

information of the Group. Such unaudited figures are subject to adjustments and finalization and have not been reviewed or audited by the Company's auditor and the audit committee of the Board. Therefore, the actual results of the Group for the three months ended 31 August 2019 may differ from the information contained in this announcement. As such, the above information is provided for investors' reference only. Shareholders and potential investors of the Company should refer to the first quarterly results announcement of the Company for the three months ended 31 August 2019, which is expected to be published on 14 October 2019.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
