## POSITIVE PROFIT ALERT

This announcement is made by Ocean Line Port Development Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules (the “**GEM Listing Rules**”) Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**Stock Exchange**”) and the Inside Information Provisions (as defined in the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the “**Board**”) of the Company wishes to inform the shareholders (the “**Shareholders**”) and potential investors of the Company that, based on the information currently available to the Company and the preliminary review by the Board of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2019, the Group is expected to record a significant increase in the revenue and net profit (excluding the listing expenses) for the six months ended 30 June 2019 by approximately more than 90% and 240%, respectively, as compared to the revenue and net profit (excluding the listing expenses) of the Group for the corresponding period in 2018. The increase in the revenue and net profit of the Group was primarily attributable to the increase in throughput volume of our ports due to the increased demand from our customers.

The information contained in this announcement is based on the preliminary review of the Board on the latest unaudited consolidated management accounts of the Group for the six months ended 30 June 2019, which have not been confirmed or finalised by the audit committee of the Board and may be subject to further adjustments. Shareholders and potential investors are advised to read carefully the interim results announcement of the Company for the six months ended 30 June 2019, which is expected to be published in due course in accordance with the GEM Listing Rules.
